Pattern Instructions:

Make a Slip Knot and crochet a 65 stitch chain with a 5mm Crochet Hook.

Row 1:

Double Crochet into the 5th chain stitch from this hook end, Chain 2, Double Crochet into the same stitch space,

(Chain 1, Skip 2 chain stitches, Double Crochet, Chain 2, Double Crochet into the same space) repeat this sequence to the end of the row.

Row 2:

Chain 3 and turn,

Double Chain 5 times into one chain space, Single Chain in the next chain space,

(Double Chain 6 times into the same chain space, Single Chain in the same chain space)

repeat this sequence to the end of the row.

Cut a long tail of yarn and pull through a Single Chain to fasten.

Make the Rosette:

Curl the long chain of petals around on itself.

Work the base from a centre into a small flat circle.

Secure the base by sewing around the chain as the rosette grows.

Make an Icord 3 metres long. Sew in the ends to complete the cord.

Now sew the middle of the Icord to the centre back of your Rosette so there is a 1.5m length on either side.
